REQUEST FOR WITHDRAWAL OF FINALITY OF OFFICE ACTION

SSISTANT COMMISSIONER FOR PATENTS Washington, D.C. 20231

SIR:

Responsive to the outstanding Office Action mailed on February 11, 2002, with regard to the above-identified application, please note the following remarks requesting withdrawal of the finality of this Office Action.

REMARKS

On March 1, 2002, Applicants' representative contacted Examiner Farahani to point out that the outstanding Office Action was improperly made final. In this regard, Applicants' representative pointed out that the Office Action mailed on October 3, 2001, the first Office Action in this application, had been improper as it had treated Claims 19-22 which had been canceled by the Amendment of November 2, 2000 and replaced with present Claims 23-30. Applicants' representative further pointed out that the PTO had been contacted on this matter and had indicated that a new Office Action would be issued. While this new Office Action has been issued, it has been improperly indicated to be a final rejection when it is actually a first Office Action on the merits relative to the Claims 23-30.

Accordingly, it is respectfully submitted that the improper finality of the Office Action mailed on February 11, 2002, should be withdrawn in light of the foregoing.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND, MAIER & NEUSTADT, P.C.
